**Re: *United States v. Claudia Juarez, 19 Cr. 579 (VM)***

Honorable Judge Marrero:

I write with to respectfully request that the Court modify Ms. Juarez's bail conditions. Specifically, I respectfully request that the Court remove the GPS monitoring condition, which has been in place since Ms. Juarez's arrest. In its place, we respectfully request that Ms. Juarez's curfew be monitored telephonically.

On July 15, 2019, Magistrate Judge Kevin N. Fox released Ms. Juarez on her own signature and imposed bail conditions, including, in relevant part, GPS monitoring and a curfew. Since that time, Ms. Juarez's compliance has been remarkably consistent.

I have discussed the availability of phone reporting with the United States Pretrial Officer who supervises Ms. Juarez in the Middle District of Florida. While U.S. Pretrial does not take a position on this application, it does confirm that it has the capacity to supervise Ms. Juarez's curfew compliance by phone. I have discussed this matter with Assistant United States Attorney Ryan [REDACTED]

[REDACTED] opposes its removal as a condition.

Thank you for your consideration of this matter.

Respectfully submitted,

/s/
